Healthy RI Task Force Workforce Development Work Group Compiled from a brainstorming session July 15, 2010 at the RI Foundation

Healthy RI: Workforce Group		
Career Entry	**Mid Career**	**High End**
Science/Math	Loan repayment	Brain drain
Exposure to career settings & tasks	Funds to take on new workers-subsidized employment ((jobs now)	Loan repayment
GED & HS diplomas	Expansion of home health	Increase Support for Welcome Back
Assessment screening	ECCLI model	Malpractice
Collaborate with RIDE on vertical alignment (look to Texas model)	Removal of the "only nurses teach nurses statute"	Costs
Summer Boot Camp	Create a portal to all HC training	Reimbursement
Certificates for HS students	Consistency of training	PA/NP
Support for those 2nd language speakers	Resources alignment	
Remediation	Incentive for Master's Level teachers	
Transportation		
Child Care		
Social needs/ Case management		
Increasing the visibility and portability of career advancement steps-CNA II, med assistant, med billers (current model undermines career ladders)		
Inconsistent or limited hours for HH workers creating poor job model-no consistent hrs, no consistent pay, no consistent benefits		
Grants:		
TANF		
URI-NP at RI Free Clinic
